

ONLINE FOREIGN LANGUAGE CLASSES

French Online Language Certificate Course

Session 2022-2023

The Brief introduction of French language.

French is the “language of love”. A fitting name for this gorgeous Romance language. But, there’s a lot more to the French language than pretty sounds. Learn about its origins, history, popularity, and grammar to discover how the French language continues to make its impact on the world.

More than 200 **million people speak French around the globe**. It is the national language of France and official language of 29 countries. It is spoken in Algeria, Canada, Belgium, and Monaco as called Francophone country. It is the second most translated language and in the context of academic programs, it plays a grand role where you may go to France for the completion of your higher study.

In brief, if you want to gain fluency in this incredibly beautiful, global language, then it helps to have a solid foundation of where French came from to make learning this language easier. It has often been described as a very soft, song-like language. Grammatically, it is a very approachable language to learn.

Syllabus

- **Introduction to Basic French language.**
- In This unite teaches you to recognize, read, write, and speak the French alphabets and French counting, as well as fill in the blanks by combining words.
- **Communication Skills.**
- Improving communication skills is used in this unit. When we learn our native language, first of all, we listen, then we speak, then we read, and finally, we write. Listening, speaking, reading, and writing are the four language skills we need to develop for complete communication in French like communication skills definition, examples and pronunciation of communication skills in French language. Text Learning and writing.
- **Self-Introduction**
- In this unite, it has been taught to give generally self-introduction. If your goal is to speak French more fluently, it's a good idea to develop a clear and brief introduction for yourself.
- That way, you'll be ready to answer the most common questions that people ask each other particularly in professional situations and business contexts:
- What's your name?
- Where are you from?
- What do you do?
- How old are you?
- What do you study?
